Topeka, Kas., Nov. 17, 1905.

We have just finished digging our Apple Seedlings. They have been dug and handled with a great deal of care and heeled in immediately after the pullers to avoid exposure. We believe if you could see them you would pronounce them a clean, healthy well matured lot of stocks.

Grading and shipping commences at once, may we book your order at following prices?

No. 1, 3-16 in. and all up, well branched,	\$2.30
No. 1, 3-16 in. and all up, straight roots,	2.65
No. 2, 2-16 to 3-16 straight roots, strong grade	1.15
No. 2, 2-16 to 3-16 branched roots,	1.15
No. 3, 2-16 branched and straight roots,	.50
